MPUMALANGA PROVINCIAL FESTIVE ROAD SAFETY CAMPAIGN LAUNCHED IN DIPALESENG

The Provincial Department of Community Safety, Security and Liaison in partnership with Dipaleseng Local Municipality, Department of Health, various law enforcement agencies and other stakeholders hosted the launch of the Provincial Festive Road Safety Campaign along the R23 road at the Kinross intersection.

The aim behind the event was to create road safety awareness for road users in an attempt to decrease road accidents.

The festive season always translates to a lot of people commuting across the country, hence the need to intensify adherence to rules of the road.

MEC Vusi Shongwe flanked by Dipaleseng Local Municipality Member of Mayoral Committee Cllr. Carrim and Chief Whip Cllr. Shabalala addressed the multi contingent force that was present to conduct the activities of the day.

MEC committed that this is the first of many such operations that will be conducted throughout the entire province during this time. Department of Health also provided on-site screening and vaccination services.

The local farmers union also came out in support of government's efforts in ensuring safety and security in the area.
