FOR IMMEDIATE RELEASE

DIPALESNG FEMALE EMPLOYEES CELEBRATE WOMEN'S MONTH

Lunch hour at Die Kliphuis restaurant in Balfour on Thursday, 25th August 2016 was full of activity as the female employees of Dipaleseng Local Municipality packed the premises in celebration of women's month and kept the waitron on their toes.

Mrs Soliwe Moloï who is the First National Bank, Balfour Branch Manager, was the guest speaker at this small and intimate event and shared valuable information on how women should take special care of their finances on the road to a healthy financial life. Her words really hit home to many and were well captured under the theme "Living beyond our means".

Her speech touched on important aspects having and maintaining a proper budget while being cautiously aware of expenses and avoiding exceeding credit debt offered. She warned the ladies not to be involved in competition particularly with their spending although she understands that some, in fact most of us inherit family financial obligations that deter us from gaining financial freedom from the onset.

She concluded by advising women on how to respond to those scary phone calls from those intimidating debt collectors. The ladies then helped themselves to the scrumptious servings on the menu while deliberating on the key note address.
