

URGENT PUBLIC NOTICE

The community of Dipaleseng is hereby notified that the provision of water has since been affected due to the current unfortunate incident of fire which gashed two main electricity substations in Balfour town, one in Balfour North belonging to Dipaleseng Local Municipality and the other in the Indian section which belongs to Eskom.

The municipality is in a process of securing service provider/s to provide water to the affected areas throughout this time. Further details will be communicated as and when it becomes available.

The community's patience and cooperation will be appreciated during this time.
